Challah Kitchen is a bakery located in San Luis Obispo, California. Challah Kitchen primarily sells challahs, as well as other Jewish pastries such as babka, hamantaschen, and more.

Growing up in a Jewish household and attending Jewish day school throughout the first 18 years of her life, Jordan has always been surrounded by Jewish culture, Jewish people, and of course, Jewish food. Right before she moved to college, she thought to herself, why not bring a piece of home with her? Thus, Challah Kitchen was born.
